EDUCATION

GLA University

September 2022-September 2026

Bachelor Of Technology, Computer Science- CGPA- 8.08

INTERNSHIP

Nexus Fittings | Web Developer Intern |[Link](#)

January 2025– Present

- Successfully managed and optimized the company's website codebase, resulting in improved performance and easier maintenance.
- Developed and implemented new features using Next.js and React.js to enhance user experience and functionality, following Agile development practices.
- Collaborated with cross-functional teams to identify and resolve issues, ensuring a seamless and reliable website performance.

Hunar Intern | Java | [Link](#)

July 2024 -August 2024

- Gained hands-on experience in Core Java, object-oriented programming (OOP), data structures, and algorithms through a one-month training and internship.
- Led a project from planning to deployment, ensuring high-quality code, timely delivery, and effective debugging.
- Enhanced coding proficiency by solving real-world challenges, optimizing performance, and applying industry-standard best practices.

SKILL SUMMARY

- **Languages:** Java, Python, JavaScript, HTML, CSS, SQL
- **Technical Skills:** Object-Oriented Programming, Data Structures & Algorithms, Web Development
- **Frameworks & Tools:** Next.js, React.js, Node.js, Tailwind CSS, Google Colab, VS Code, Git & GitHub
- **Soft Skills:** Analytical Thinking, Cross-Team Collaboration, Effective Communication

PROJECTS

Triveni Museum Website| [Link](#)

- Developed a responsive website featuring interactive UI elements like dynamic video backgrounds and sticky navigation to enhance user engagement.
- Integrated a real-time chatbot and sticky pop-up booking interface to assist visitors and simplify ticket reservations.
- Applied session storage and client-side scripting for temporary data persistence, improving transactional workflows.

Calculator |[Link](#)

- Developed a fully functional calculator with an intuitive user interface, enabling seamless arithmetic operations and real-time result display.
- Enforced efficient input handling and error prevention mechanisms to enhance usability in calculations.
- Designed a responsive UI with interactive buttons and a clear display panel, ensuring a user-friendly experience.
